## INTERSHIP

---

**Web Developer** May 2023 - Jun 2023  
Bharat Interns *Online Mode*

- Recently I had completed 1-month internship from Bharat Interns which was through online mode in which I had been able to complete 3 projects allotted to me.

## PROJECTS

---

**Blood Bank & Donor Management System** . Basically, Here used HTML, CSS and JavaScript. In this project there is two interfaces customer and admin, where admin can manage all details about User/Customer.

**Netflix Clone** . This website is basically front-end of Netflix website. Here I used React.js to make this website fronted design ([Try it here](#)).

**Portfolio Website** . Which is made by HTML, CSS, JavaScript and React.js. This website you can see my other projects, qualifications, and work experience etc ([Try it here](#)).
